

A photograph of a lush meadow with tall green grass and numerous small purple and yellow wildflowers. In the background, there are dense green trees and a clear sky. A large green circle is superimposed over the center of the image, containing the event details.

NATIVE MEADOW AND RIPARIAN BUFFER SHOWCASE

**Friday, September 22, 2023
10AM - 12PM**

**Variety – The Children's Charity of
the Delaware Valley Campus
2950 Potshop Road
Worcester, PA**

This free educational event will showcase established native meadow and riparian buffer plantings. Learn from Variety and Montgomery County Conservation District staff on topics including:

- **Landowner interest and experience with conservation efforts**
- **Meadow establishment with a no-till drill**
- **Considerations and site preparation for meadow establishment**
- **Maintenance of native meadows and riparian buffers**
- **Funding opportunities to install meadows and riparian buffers**

This event is outdoors and will include walking. Please wear appropriate footwear and advise at the time of registration if physical accommodations are requested. Registration required.

**To register for this free event, please email: areiter@montgomeryconservation.org
or call (610) 489-4506 x24**

"Financial and other support for this project is provided by the Pennsylvania Association of Conservation Districts, Inc. through a grant from the Pennsylvania Department of Environmental Protection under Section 319 of the Clean Water Act, administered by the U.S. Environmental Protection Agency."
