

COME SEE PERKIOMEN TOWNSHIP'S NEW RAIN GARDEN

Perkiomen Township, the Montgomery County Conservation District, and students from the Perkiomen Valley School District have teamed up to construct a large rain garden at the Township's Community Park. Residents are invited to tour the finished garden and learn about how rain gardens help protect the Perkiomen Creek.

Financial and other support for the rain garden is provided by the Pennsylvania Association of Conservation Districts, Inc. through a grant from the PA Department of Environmental Protection. The rain garden has also been awarded a grant through the PECO Green Region Open Space Program. Additional funding for the project is provided by the Schuylkill River Restoration Fund.

**The garden tour is scheduled for
Tuesday, May 17, 2016 at 6:00 P.M. at Perkiomen Township, 1 Trappe Road,
Collegeville, PA. Please meet at the pavilion.**
