

DEP ePERMITTING ROLLOUT & TRAINING DATES ANNOUNCEMENT

The Chapter 102 ePermit System is *tentatively* going live on January 25, 2021 for PAG-02 General NPDES NOIs and Amendments. The use of the Chapter 102 ePermit system is voluntary at this time.

DEP will be providing external training on the morning and afternoon of January 21, 2021 for applicants and consultants. The morning training is scheduled from 8:30 – 11:30 am and will explain how to get access to the system, how applicants can give consultants access and permissions within ePermitting and provide an overview of the ePermitting system. The afternoon session will be open for questions and answers and allow time for additional demonstrations of the system if needed.

These trainings will be recorded and posted afterwards on the [Bureau of Clean Water Chapter 102 ePermit System website](#). Please refer to this website for the latest information and updated regarding Chapter 102 ePermitting.

Below is the WebEx information for each training. If you plan to attend, please click on the link below and register for the event.
