CONSERVATION DISTRICT

LEARN from conservation experts.

COMPETE against other schools.

FREE for schools to participate.

## 2024 Montgomery County Envirothon Registration is Open!

*Register your team(s) by April 5.*

*Registration required.*

*Envirothon is a fun, academic event in an outdoor setting that educates students on natural resource and environmental sciences.*

*High School students compete in order to qualify for the state event.*

This event will be conducted outdoors and will follow CDC guidelines for COVID-19. Each participating school will be required to provide its own transportation to and from the event.
